Programming Teacher

Apply Now

Company: Rocket Tech School

Location: Lima

Category: other-general

Rocket Tech School, an international online school of digital creativity programming for children, is looking for talented and active stars for the role of Educator and Mentor for our young students.

Our mission is to get as many kids as possible to fall in love with the world of modern technology, programming, gamedev and design.

Our subjects: Python, Roblox, Minecraft, Scratch, Junior, Unity, Web, Graphic Design, Digital Art.

Our benefits:

- 50+ countries

- 2800+ students all over the world

- unique teaching methodology

- 9 educational programs

- student community

- RTG game server

- friendly young team

- full methodological support for teachers

- the opportunity to choose a convenient schedule and combine it with study/work.

Our wishes for a teacher:

- Experience of teaching children from 7 to 17 years old in a group or individually from 6 months

- Knowledge of any programming languages or development environments such as Scratch / Minecraft Edu / Roblox Studio / Animatron / Python / Unity / Digital Creativity / Figma (if you don't know all environments, but are ready to learn quickly - leave a response).

- Stable, fast internet connection (from 30 m/bit)

- Knowledge of English and Spanish from level B2 and above

- It will be an advantage if you are ready to work weekdays 17 - 23:00 LatAm time (GMT-5) and weekends 11:00 - 18:00 LatAm time (GMT-5)

Tasks to be handled:

- Conducting interesting programming classes for children. The main thing is that you should be interested in our sphere - we will teach you the rest!

- Filling out small after-school reports

- Checking homework

- Giving feedback to parents about their children's progress

- Keeping children interested in the lessons

- Participating in regular team meetings

We provide:

- Remote work from any city or country

- Flexible schedule: schedules can be chosen independently, lessons run 24/7

- Teaching materials

- Regular training for teachers

- Payments 2 times a month

- Opportunity to grow and develop together with the school
