Team Augmentation: You will integrate yourself directly into our client's team and work alongside their existing designers and engineers on a daily basis.

Design & Build: You will work on a FullStack product team to build and deliver a product to our clients.

What We're Looking For:

5+ years of professional experience as a React Native Developer.

Solid experience with Typescript.

Proficiency in retail operations, online commerce, and payment systems.

Proven experience building mobile applications using React Native.

Solid understanding of JavaScript, TypeScript, and React/React Native concepts.

Familiarity with Agile/Scrum methodologies.

Advanced English is required.

Successful completion of a four-year college degree is required.

Forensic attention to detail.

A positive, optimistic, can-do attitude.

Ability to identify with the goals of FullStack's clients, and dedicate yourself to delivering on the commitments you and your team make to them.

An understanding of best practices and a commitment to following them.

Ability to consistently work 40 hours per week.

What We Offer:

Competitive pay in your local currency

100% remote work

The ability to work with leading startups and Fortune 500 companies

English Classes

Virtual company events each month

Ample opportunity for career advancement

Continuing education opportunities

Depending on your location other benefits may apply
